

The schedule of the exoticism exterminating has been decided. ! !

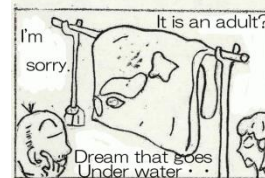

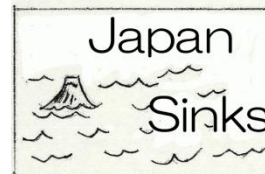

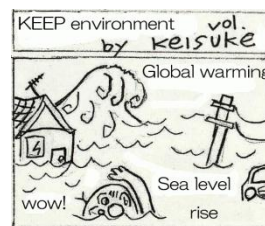

The schedule of the living thing investigation and the exoticism exterminating has been decided. It is 20 (Sunday) of November, 2010 that comes. Please continue your favors toward the right or wrong of the person participation that can attend. After meeting, details at the beginning time etc. are circulated with the prefecture.

H22. 10. 8 It was the environmental maintenance work tiredness externals

This time, the grass grows and I think any place to be serious

The exoticism exterminating hanging rally was held.(H22. 7. 31)

This time, the exoticism exterminating hanging rally that became the 1st was executed. The bluegill black bass was able to fish easily in a short time. My best regards because I want regularly to exterminate it even a little.

It ..yellow flower cosmos.. sowed. ! ! (H22. 8. 29)

The cosmos sowed on the side of the Shuichi Matsubara house. Flowering is the enjoyment though time was late. .

Wild boar control execution by H22.7.11 farming union member ↑
